Dear Mr Phay

LETTER OF TESTIMONIAL

It was a pleasure meeting you recently.

Since my appointment as manager for the Operations Department of Veritas DGC Asia Pacific in 1996, we have been using Imation brand 3590, 3590E and DLT Tape Cartridges for our hardware systems, HP servers and Linux Clusters, of 1,500 nodes in our Data Center, totaling more than 45,000 pieces (averaging about 7,500 pieces per year) to date.

For the past years experience of using Imation's tape cartridges, we have found them to be of high quality and minimum of problems. The back-up service and follow up from your company's team of Sales and Technical Personnel has been commendable.

We will continue using Imation Tape Cartridges and look forward to your continued excellent sales service and support.

Yours sincerely
