

Imation Stereo Headset

Imation Stereo Headset PCH230

The Imation Stereo Headset offers pristine sound quality, comfort and reliability and is ideal for call center, office and home use. A sound control switch allows users to select ideal volume level for a full, rich sound, the microphone can be adjusted for consistent positioning and the soft ear cushions provide all-day comfort.

Features & Benefit

- Stylish, Lightweight and Comfortable Design** - The light, flexible cable and comfortable headband design, as well as the flexible microphone boom, work to enhance audio quality and user experience.
- Click-stop Headband and Turret** - Comfortably stays in place for superior fit and consistent headset and microphone positioning.
- Convenient in-line Volume Controls** - Provides quality sound.
- Binaural Styles & Flexible Cable** - Binaural design eliminates distracting background noises and offers consistent sound to both ears with convenient single-cable.
